

/home/huplo/Coding  
/Projects/C++/chess  
-game/include/Queen.h

```
graph BT; Board[Board.cpp] --> Queen[Queen.h]; Pawn[Pawn.cpp] --> Queen; QueenC[Queen.cpp] --> Queen;
```

The diagram illustrates a C++ project structure. At the top, a gray box represents the header file `Queen.h` located at `/home/huplo/Coding/Projects/C++/chess-game/include/Queen.h`. Below this, three white boxes represent source files: `Board.cpp`, `Pawn.cpp`, and `Queen.cpp`. Blue arrows point from each source file to the header file, indicating that all three source files include the `Queen.h` header.

Board.cpp

Pawn.cpp

Queen.cpp
